# Class Descriptions

Class Name	Studio	Description
<b>Active Adult Strength</b>	Main Studio	Over 60s strength-based class of functional strength exercises using your body weight, balls and light hand weights. These exercises will strengthen your muscles so that everyday tasks remain easy and enjoyable.
<b>Active Adults Mat Pilates</b>	Wellness Studio	Gentle over 60s mat Pilates session. Using the Pilates method to help improve your balance, flexibility and strength.
<b>Active Adults Combo</b>	Main Studio	This class combines low impact aerobics, strength exercises and balance, using various equipment, designed for over 60s. This class has everything - great music, movement and friends.
<b>Yin Yoga</b>	Wellness Studio	A deeply mindful style of Yoga where postures are held for a longer period of time while you find stillness and focus on the breath. Powerful practice to alleviate stress and deeply release tension and tightness in the body.
<b>Zumba</b>	Main Studio	A dance-based class using Latin and World rhythms for a total workout, combining all elements of fitness - cardio, muscle conditioning, balance, and flexibility.

Class Name	Studio	Description
<b>Active Adults Reformer Pilates</b>	Reformer Studio / Narrandjeri Studio	A full body workout, specifically designed for over 60s, using spring loaded resistance reformer beds. Low impact to improve flexibility & strength.
<b>Active Adults Stretch &amp; Balance</b>	Wellness Studio	Gentle class designed for over 60s. Using a variety of props, improve balance and coordination in order to minimize falls risk. Our goal is to educate the importance of regular balance training and how it can improve overall health.
<b>Active Adults Yoga</b>	Wellness Studio	Gentle Yoga class, specifically designed for over 60s.
<b>AquaFit</b>	25m Indoor Pool	High-energy water workout which is delivered with upbeat music designed to protect joints with low-impact movements to improve muscular strength, cardiovascular fitness, flexibility and overall health. Combination of body weight exercises, using water as resistance, and equipment-based exercises such as dumbbells, kickboards and noodles.
<b>Athletic Reformer Pilates</b>	Reformer Studio / Narrandjeri Studio	The perfect session to get your heart rate pumping. Pilates apparatus used to elevate your practice, changes of pace with dynamic movements. Great for intermediate level. Not suitable for beginners, pre-natal or those recovering from injury. Must be confident on the Reformer.
<b>Foundation Reformer</b>	Reformer Studio / Narrandjeri Studio	New to Reformer? This class is for you! A beginner class, designed to get you comfortable on the Reformer carriage, teaching basic movements with minimal equipment.

Class Name	Studio	Description
<b>Barre Fusion</b>	Wellness Studio	A fusion of ballet, yoga and Pilates. Designed to challenge core stability and balance using body weighted movements, light hand weight, Pilates rings and balls. Class can be conducted with a char, Barre-less or Ballet Barre.
<b>Body Attack</b>	Main Studio	A high-energy fitness class with moves that cater for total beginners to the experienced. Body Attack combines athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats.
<b>Body Balance</b>	Wellness Studio	A yoga-based fitness class that combines simple yoga movements with elements of Tai Chi and Pilates. The class is designed to improve your mind, body, and life by increasing flexibility , core strength, and reducing stress levels. You can expect to bend and stretch through a series of simple yoga moves with an inspiring soundtrack in the background.
<b>Body Combat</b>	Main Studio	A martial arts-inspired workout that is non-contact. Punching and kicking movements will increase fitness and burn calories in a class. Body Combat moves will come from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung Fu. No experience needed.
<b>Body Pump</b>	Main Studio	The original barbell class that strengthens and tones your entire body to ensure you get results fast. Using a combination of motivating music, fantastic instructors, and scientifically proven moves to help achieve fitness targets.
<b>Body Step</b>	Main Studio	A pre-choreographed energizing full body cardio step workout to upbeat music. Body Step uses a height-adjustable step and simple movements on, over and around the step. Cardio blocks increase intensity and muscle shape and tone.

Class Name	Studio	Description
<b>Boxing Fit</b>	Main Studio	A cardio and strength workout featuring boxing training techniques, including skipping, boxing drills, and abdominal workouts. will work up a sweat, increase heart rate and tone muscles in a group atmosphere.
<b>Circuit</b>	Main Studio	A workout that involves performing different exercises in small groups using dumbbells, barbells and bodyweight exercises. This class works on cardiovascular fitness and muscle toning and is suitable for all fitness levels.
<b>Cycle</b>	Cycle Studio	An indoor cycling class where the instructor creates the workout. Sessions may include climbing, sprinting and interval training.
<b>Chair Yoga</b>	Wellness Studio	Uses a chair as a prop for support and balance, making it perfect for seniors and people with injuries and health conditions who want to improve their fitness and balance but can't get up and down from the ground. We include seated and standing options (where appropriate) to let participants choose their level of challenge. Classes also include breathwork and guided meditation to relax the nervous system and calm the mind.
<b>Hatha Yoga</b>	Wellness Studio	Classical yoga asana (postures), breath work, and gentle warming movements to build strength, flexibility and relaxation. Focus on standing poses and basic seated work that is suitable for all levels.
<b>HIIT + Core</b>	Main Studio	High Intensity Interval Training - 30 minutes of interval-based training, work as hard as you can and then recover. HIIT is scientifically proven to get results fast. Bonus core exercises for a dynamic finish.
<b>Iyengar Yoga</b>	Wellness Studio	Includes the use of props to help participants gain the correct alignment suitable for their individual body.
<b>Les Mills Sprint</b>	Cycle Studio	High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. Personalized coaching with intervals of strength, speed and power will push you to the max.

Class Name	Studio	Description
<b>Mat Pilates</b>	Wellness Studio	The Pilates method is designed to strengthen your deep core muscles, which in turn raises your stability & mobility allowing you to move freely with confidence. A variety of props can be incorporated into exercises such as balls, bands and Pilates rings to tone and strengthen your body.
<b>Meditation</b>	Wellness Studio	Be guided towards a calm, clear, observant mind. Learn breathing techniques, experience sound meditation, try visualization and relaxation techniques, to help reduce stress, anxiety and improve your overall wellbeing.
<b>Restorative Yoga</b>	Wellness Studio	A gentle yoga class that is about slowing down your body through passive stretching using props to support your body and allow the muscles to relax deeply.
<b>RPM</b>	Cycle Studio	A pre-choreographed group indoor cycling workout where you control the intensity. Ride the rhythm of powerful music to a calorie burning endorphin high, and strengthen your heart, lungs and legs.
<b>Slow Flow Yoga</b>	Wellness Studio	A slower-paced form of yoga, incorporating a combination of traditional yoga poses that flow from one to the next and are often held for longer during the sequence.
<b>THT</b>	Main Studio	Tummy, hips, thighs. A lower body conditioning class focusing on toning and strengthening the glutes, hips, quads, hamstrings, adductors, core and pelvic floor. Suitable for all fitness.
<b>Vinyasa Yoga</b>	Wellness Studio	A combination of foundation postures with progressions to try if you choose. Sequencing will flow using breath, strength, flexibility and balance. Suitable for all levels with plenty of options to suit your body.
<b>Reformer Pilates</b>	Reformer Studio	Our Reformer Pilates classes are designed for all fitness and ability levels, to improve fitness, movement, and flexibility. Your friendly instructor will offer progressions and regressions throughout the session.

Class Name	Studio	Description

<b>Virtual RPM</b>	Cycle Studio	Virtual screen bursts into life at the start of the class and you follow the instructions on the screen - RPM is a group indoor cycling workout where you control the intensity.

Class Name	Studio	Description
<b>Virtual Les Mills Sprint</b>	Cycle Studio	Virtual screen bursts into life at the start of the class and you follow the instructions on the screen - 30-minute high-intensity interval training on a bike with LES MILLS SPRINT: quick and hard training that delivers rapid results.
<b>Virtual The Trip</b>	Cycle Studio	Virtual screen bursts into life at the start of the class and you follow the instructions on the screen - The Trip™ is a fully-immersive cycling class set in a digital world. Experience a world of ice glaciers, mountain peaks, jungles and underwater caverns with our exclusive group cycle class The Trip™ by Les Mills.
<b>Les Mills Core</b>	Main Studio	LES MILLS CORE® is a scientific core workout for incredible core tone and sports performance. You build strength, stability and endurance in the muscles that support your core, improve balance, assist injury prevention, and become better at everything you do. During the workout, trained Instructors guide you through correct technique as you work with resistance tubes and weight plates, as well as bodyweight exercises like crunches, and hovers. Plus there are some hip, butt and lower back exercises too.
<b>Grit - Athletic</b>	Main Studio	LES MILLS GRIT® Athletic is a 30-minute high-intensity interval training (HIIT) sports conditioning workout, designed to make you perform like an athlete. This workout often uses a step, bodyweight exercises and multi-dimensional sports conditioning training to increase your overall athletic performance: strength, agility, speed and power.
<b>Grit - Cardio</b>	Main Studio	LES MILLS GRIT® Cardio is a 30-minute high-intensity interval training (HIIT) workout that improves cardiovascular fitness, increases speed and maximises calorie burn. This workout uses a variety of body weight exercises and provides the challenge and intensity you need to get results fast.
<b>Grit - Strength</b>	Main Studio	LES MILLS GRIT® Strength is a 30-minute high-intensity interval training (HIIT) workout, designed to improve strength, cardiovascular fitness and build lean muscle. This workout uses barbell, weight plate and bodyweight exercises to blast all major muscle groups.
